You will be informed by Friday 21st January 2022 if your application has been successful. If so, you will be invited to one of two Recruitment Days.

Stage 2 [Saturday 29th and Sunday 30th January 2022](#) (you will be able to choose which day)

Recruitment Days – Each applicant will deliver a pre-prepared presentation (without the use of notes), complete some written tasks and take part in small-group discussions on different aspects of being a tourist guide. The recruitment team, all experienced guides, will observe how you interact with others and demonstrate your interest in and knowledge of guiding, and will score the presentation and written tasks.

Online focussed interviews – You will be able to choose a day and time slot for an online interview. The interviewers will want to find out more about your motivation for becoming a Blue Badge guide. You may also be asked questions about your ability to manage the course, language skills, ability to travel for core knowledge sessions/field trips, any previous guiding experience you may have, and any special arrangements you may require.

Offers of places – if you are offered a place on the course, you will have **a few days** in which to accept it before it is offered to someone else. The class of 2022-2024 should be confirmed by the end of March 2022.

Course Dates

End August 2022 to End February 2024. (Exams March to April 2024).

Mid to End August 2022 - Registration at City of Glasgow College and Course induction.

September 2022 to June 2023 - Core Knowledge sessions will be streamed from 6 pm on Wednesday evenings. Most of the sessions that require attendance will take place in Central Scotland although other locations may be used from time to time.

A **provisional calendar** for the 2022-2024 course will be published on the website by 15 December 2021.

Course Fees

Course and other costs.

The fee for the 2022-2024 Blue Badge Course is likely to be in the region of £7,200 to £7,500 based on 36 students. We are awaiting confirmation of prices from suppliers and the actual fee will be confirmed as soon as possible.

The first payment of 10% is required on accepting a place and to secure your place on the course. The first payment will be due by **20th April 2022**. The balance must be paid in full by **15th July 2022**.

As the course is completely self-funding and the cost is kept as low as possible, we regret there can be no refunds if a student withdraws from the course or part of it, for non-use of services provided, or if a student is required to leave the course on the basis of misconduct or repeated failure to complete work to a satisfactory standard.

The STGA reserves the right to cancel the course and refund all fees paid, or to offer the course at a higher fee, if there are insufficient enrolments. If a student requires to leave the course, they must inform the Course Director in writing.

The course fee includes teaching and training on all timetabled dates; training materials, assessments, access to the Student Online Forum and to the City of Glasgow College streamed core knowledge sessions, as well as student membership of the STGA. The course fee **does not include overnight accommodation** as required throughout the course and exam period.

Additional costs include books, travel to/from venues, overnight stays, meals and snacks.

There is a separate fee for the STGA Accreditation exam and for any additional exams in languages other than English.
